

HOW IT WORKS

Step
1

The Call

Call 573-321-9203 or visit GoSEMOfiber.com to get started with fast, reliable internet.

Step
2

The Time

When service becomes available in your area, our team will contact you to schedule a flag appointment.

Step
3

The Flag

Our installers visit your home to place a white flag marking the location of your fiber drop.

Step
4

The Drop

Our crews run fiber from the main line to your home, then schedule your inside installation.

Step
5

The Install

We install and connect your service so you can start enjoying fast, reliable fiber internet right away!

Step
6

The Bill

Billing starts after your service is active. Your first bill includes a partial month (prorated) and one full month in advance.
